

- Short-term access only for members of the HFBK (exclusively for borrowing and returning media).
- Users must disinfect their hands before entering the library.
- Contact information is taken and length of stay is recorded.
- Spacing rules must be observed and a medical mask be worn.
- Book carts and protective screen in front of the counter ensure minimum distance for staff.
- Airing every 30 minutes
- Books and magazines that have been in use must not be used for 24 hours.

All measures are communicated to the library users via signs and the student assistants/staff members and their compliance is ensured. The student assistants/staff members of the library are responsible for airing.
