### **#WE PRESENT**

SHOW YOUR WORK ON STAGE

WE PRESENT is the platform of the LICHTHOF Theatre Hamburg for networking and presentation of young Hamburg performance artists and offers you the opportunity to show already existing works on the stage of the LICHTHOF Theatre. WE PRESENT is made possible by the support of the Claussen-Simon Foundation. The three editions in the coming season will each present three works with different aesthetics. Whether performance, interactive play or music installation – WE PRESENT shows existing works that have been created at the Theatre Academy, the HfBK, the HAW or quite freely and in other contexts.

### **What you get**

WE PRESENT offers you a professional framework: a rehearsal, technical support, PR and an evening fee. In addition, you will have the opportunity to network with other WE PRESENT artists, take part in an application workshop in the LICHTHOF Theater and the chance to apply for WE PRODUCE, our research funding programme, next year.

The three editions of WE PRESENT will take place in the 2023/24 season on the following dates at the LICHTHOF Theater Hamburg:

**10.11.+11.11.2023**

**23.2.+24.2.2024**

**10.5.+11.5.2024**

Rehearsals are in the same week from Monday till Thursday.

### **What we need**

- Projects that have been developed in a student context or created by up-and-coming artists.
- Length: maximum 40 minutes
- Genre: Performance (choreographic, performative, installative or musical focuses are all possible)

**#WE INTRODUCE**  
GET TO KNOW US

WE PRESENT was launched in 2015 by director Anja Kerschewicz and choreographer Patricia Carolin Mai. Since then, WE PRESENT has presented more than 50 up-and-coming performances on 19 evenings, thus making the names of more than 70 artists present. WE PRESENT is an integral part of Hamburg's independent theatre scene and - through networking with the Hauptsache Frei Festival of the Performing Arts in Hamburg - is also visible beyond the region.

WE PRESENT is so much: a space for networking, a stage to play on, a chance to search and grow – it is a great pleasure for us, Anne Pretzsch and Lisa Florentine Schmalz, to be able to help shape this multi-layered platform as curators from the 2022/23 season and to continue on a wonderfully prepared path. In what directions can WE PRESENT continue to grow, how can we open up the platform transgenerationally, who is perhaps still missing as WE PRESENTER:IN and what needs does Hamburg's new generation have that we can respond to? We are looking forward to movement and encounters and are convinced that you are needed for the burning issues of the future: the new generation!
